**Re: Case Number 3:06-00168**

**Dear Judge Trauger:**

We the Community are writing you in regards to Marino Scott, whom is scheduled to stand before you on May 8, 2007 to be sentenced.

We understand that Mr.scott has broken the law and for it, adonishment should'nt be over looked.

Mr. Marino has a positive side to him that shouldn't go un-reconized. He is very adamint about helping people in the community. We plead for the court to give leniency at his sentencing.

If any alterntive sentincing is an option, please exercise your control in seeing that his stay from his family and the community is kept at a minimal.

In closing, we the community ask that you take this letter into consideration.

We thank you for you time and may God Bless you and yours.

**Sincerely,  
The Community of Colorado Springs Co.**
